

# 2022 Home & School Mega Raffle Fundraiser

## Our Mission...

Home & School supports parents, educators, and students. Our goal is to build a strong community within the walls and outside of Immaculate Conception School. We want our teachers to feel supported, our parents to feel connected, and our children to feel empowered.

## Because it Makes Sense

Home & School has a substantial operating budget of \$20,000 per year. That budget covers costs for teachers, parents, and students alike. We have always wanted to have ONE Fundraiser that is easy for all involved where 100% of the proceeds directly benefit our students, teachers, and parents. Hence the online raffle.
